

FORKS FLIER

The Latest News from Forks Community Church

New Location

When my family first moved to Forks Township in July of 2014, I set my sights on Park Plaza as a potential home for FCC. This visible location in the town center district of the township is a high traffic area and is conveniently located next to Forks Community Park.

The Lord opened a door for us in February and we were delighted to walk through it. After a month and half of work, we held our first service on Easter. Our official kickoff will be held on September 21.

A New Beginning for FCC

2021 has been a new beginning for Forks Community Church. By God's grace, Tori has experienced renewed health after cancer surgery and treatment. She has a clean bill of health! FCC has new enthusiasm, momentum, and new people who have joined our team to help us "lead people to live and live for Jesus right where they are." Easter kicked off a new beginning in our new location. We also have some new ministries including our men's ministry **FCC Men** and **United**, our women's ministry. In this fresh season of ministry, we also began a new outreach called, **Friday Night Franks**, where we make hot dogs at the park and hand them to make connections with people. We're excited to be living on mission with Jesus in this new season of ministry!

Celebrating New Life

On July 18, we celebrated new life in Christ as four people from FCC were baptized. We also had a picnic which followed the service. To add to this excitement, more individuals are seeking to be baptized at a second service which will be held at the end of August/beginning of September.
