

MARCH 2022

RADCLIFF MINISTRY UPDATE

Church Planting in Elverson

What a year it has been. In March 2021 we were still working through interviews, assessments, and praying about where God was leading us to serve. Now, at the end of March 2022, the Radcliffs have been in Elverson for 6 months and are fully involved in church planting. So many changes have come, but we are excited to be where we believe God wants us to be.

We want to start this letter by sharing a big answer to prayer. We had asked that you would pray over the last few months for our family to get settled into our new area and especially for friends for the kids. It has been a blessing to see these relationships being built and Elverson becoming our family's home.

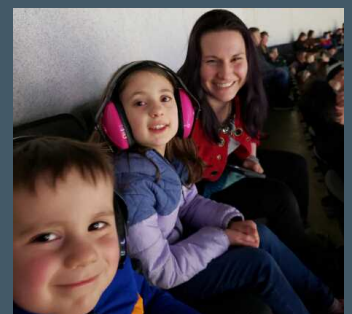

In the six months we have officially been at CROSSroads Tim has been preaching, meeting people in the community, updating the facilities, and establishing fresh Vision and Values for the congregation. We have been involved in worship each Sunday and small group Bible study on Wednesday evenings, had the opportunity to have people in our home, and gotten involved in the local community through home school co-op and Little League.

In the coming year we hope to increase our witness to those who do not know Christ, find ways to use our facility to help our community, begin home Bible studies, build one-on-one discipleship, and continue to develop relationships in the church and our neighborhood.

Partnering in the Gospel

OUR NEEDS AND HOW YOU CAN HELP

We are thankful and blessed by the many people that have supported us through prayer and financial giving. We would not be able to serve at CROSSroads without your support. Our greatest need is your prayers as we believe that God will work through them to accomplish his goals here in Elverson. In addition, if you are in a position to do so, would you consider partnering with us financially? We are very grateful for all who have already given and we can't wait to see how God will continue to use us here.

How you can pray for us:

- Health and stamina so we can fulfill the ministry.
- We need to do some work to renovate our home.
- That our efforts to meet people in the community will bear fruit and bring them to salvation.
- For the people of CROSSroads to continue to grow and for us to find ways to minister to our community.

Thank you for your partnership. May God richly bless you, Tim, Kaylena, Emma, and Sam

CROSSroads Vision:

We seek to faithfully proclaim God and His Gospel in the church and in the community, to call and grow disciples of Christ until he returns, and to live in the unity and fellowship of the Holy Spirit.
