

CBF Naples

Making Strong Disciples in an Age of Weakness

Due to these issues of growth and (what seemed to be) a closing door in our meeting location, we began our search.

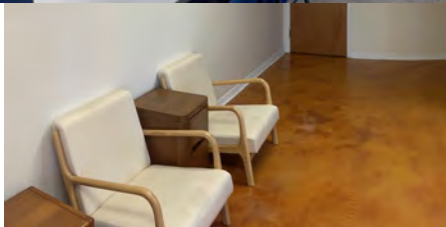

With much prayer and seeking the LORD a small team of volunteers began the process. This process eventually lead us to a new location at 11250 Tamiami Trail E in Naples. This is a 24 hour facility for us.

Having said, all of this, PLEASE PRAY FOR US! While we were able to secure our current location at a very good market rate, it is a more pressing financial need than ever before. We are praying that the LORD will continue to grow the mission in Naples. Please consider how you may help fulfill our ministry needs in Naples. GOD IS ON THE MOVE!

Great things are happening at Covenant Bible Fellowship in Naples FL. As of the middle of December Covenant moved into a new and larger facility. Praise the LORD for His provision and guiding hand.

CBF Naples had been out growing their location. This created a great need. The mission needed a larger facility with space to grow and to accommodate our community in a better way.

This move, while needed, is truly a step of faith for the mission. Naples has a very competitive real estate market. As a result, we struggled to find adequate meeting space at a price we could afford. Luckily the LORD lead us to a local facility that was looking for an organization just like ours. Not only did we fit their ideal tenant, but we also were preferred over other non-church tenants. The LORD not only lead us to this location, but he also gave us great favor in the eyes of our landlord.

Family Discipleship

Beloved, although I was very eager to write to you about our common salvation, I found it necessary to write appealing to you to contend for the faith that was once for all delivered to the saints. (Jude 1:29)

My sheep hear my voice and I know them and they follow me. (John 10:27)

Train up a child in the way he should go; Even when he is old he will not depart from it. (Proverbs 22:6)

At Covenant Bible Fellowship we are committed to placing the Gospel at the center of all that we do. So many are watching as the culture around us denies and compromises God's truth. At CBF Naples, we will stand firm on the Scripture and will not compromise its role in our fellowship and life together.

Covenant Bible Fellowship is a church committed to strongly preaching the Word of God. We rest on the reality of God's work in salvation. As a result of this preaching at CBF will be strong in its Gospel presentation and not hidden in its truth. We will rely on God's sheep hearing and longing for His Word.

Covenant Bible Fellowship will be a safe place for families to serve and grow together in the Gospel. Additionally, we will equip parents to train their children into the Christian faith. So many godly parents are longing for a partner to help them raise their children to love the LORD. It is our great desire to see CBF be that partner.
