

FORKS FLIER

The Latest News from Forks Community Church

Serving Surv

You read that correctly. It's not a typo. Surv restaurant, located a few doors down from FCC in Park Plaza, was one of the recipients of our Christmas campaign. Because the holiday season is a stressful time for restaurant workers, we blessed each employee with a gift card. We presented them on a Saturday afternoon before their dinner service time. As part of the presentation I was able to share about my previous restaurant experience and invite them to FCC. The response was one of deep appreciation and surprise!

We Did It!

At the 140th Annual Conference of the Bible Fellowship Church, *Forks Community Church* officially graduated from *Church Extension Ministries* and became a *particular church*. Hooray! After an eight-year journey in which we seemed to wander around like the Israelites in various venues, we finally made it to the Promised Land of graduation. The reality of it all has not yet completely sunk in quite yet. We are so thankful for God's faithfulness and sustaining grace.

BFC Conference

As one of the graduating churches, I was able to share a devotional at conference on the theme of "Reaching Out." I spoke on Jesus' encounter with Zacchaeus (Luke 19:1-10) as a case study of how the mercy of Christ moves us out "to seek and to save the lost."

Praises & Prayer Requests

- Praise God for our graduation!
- Praise God for continued numerical growth!
- Pray for our elders Dan Mazzeo and Frank Farley.
- Pray for the provision of a worship leader and additional musicians.
- Pray for our elder board as we begin to work on developing a vision for the future of FCC.

Family Update

Tori continues to remain cancer-free! She is teaching third grade at Forks Township Elementary School. She also completed a graduate course this year. Our oldest child, Dylan, is fourteen and enjoys playing soccer, cross country, and basketball. He also cares for his bearded dragon, Cliffhanger. Adam is eleven and is active in basketball and baseball. Emma and Lily our twins, are now nine years old. Emma is a natural cheerleader who plays basketball and softball. Lily, on the other hand, plays field hockey and lacrosse.
