

CBF Naples

Making Strong Disciples in an Age of Weakness

It has been a busy season at CBF. With two baptisms in January and a wonderful Christmas Eve service CBF is seeing the LORD do great things in Naples FL. CBF Naples ended the year

with a full house on Christmas Eve. There were 89 people in attendance and the Gospel was preached. Please pray for return visitors from this wonderful event.

Additionally, CBF saw two baptisms at the beginning of the year. The church gathered to celebrate these baptisms and used a local (unheated) pool for the act of baptizing.

The water was certainly cold. Yet, the LORD was honored in obedience as the Mission gathered in fellowship and celebration. Jason and his team long to see more baptisms at CBF. Pray that the LORD would use CBF to see more people embrace the Gospel!

We face an important year in 2024. We are still working towards becoming a particular church in the BFC. Yet the mission needs the

LORD to bring both people growth and financial stability. CBF has constantly had to deal with the challenges of ministry in a place like Naples. We face high rent and real estate

prices, transient seasonal population, as well as a “competitive” religious culture.

CBF needs financial stability as well as the addition of new families. We are confident the LORD has prospered us for fruitful ministry in this season. Please join us as we seek His guidance in this endeavor. God has been exceedingly good. We prayerfully expect a great 2024.

Expanding the Kingdom with a Three Fold Ministry Strategy

Gospel Centrality

Beloved, although I was very eager to write to you about our common salvation, I found it necessary to write appealing to you to contend for the faith that was once for all delivered to the saints. (Jude 1:29)

At Covenant Bible Fellowship we are committed to placing the Gospel at the center of all that we do. So many are watching as the culture around us denies and compromises God's truth. At CBF Naples, we will stand firm on the Scripture and will not compromise its role in our fellowship and life together.

Strong Preaching

My sheep hear my voice and I know them and they follow me. (John 10:27)

Covenant Bible Fellowship is a church committed to strongly preaching the Word of God. We rest on the reality of God's work in salvation. As a result of this preaching at CBF will be strong in its Gospel presentation and not hidden in its truth. We will rely on God's sheep hearing and longing for His Word.

Family Discipleship

Train up a child in the way he should go; Even when he is old he will not depart from it. (Proverbs 22:6)

Covenant Bible Fellowship will be a safe place for families to serve and grow together in the Gospel. Additionally, we will equip parents to train their children into the Christian faith. So many godly parents are longing for a partner to help them raise their children to love the LORD. It is our great desire to see CBF be that partner.

In October of 2023, Director David Gundrum came down to Naples for a visit with Covenant Bible Fellowship. We were thankful for him to be able to see first hand what the LORD is doing here. He also met our key leaders in the Mission Church.

Psalm 34:15

The eyes of the Lord are toward the righteous and his ears towards their cry.
