

Gundrum Christmas Greetings 2024

*"I have come that they might have life,
and might have it abundantly!"*

John 10:10

Dear Family & Friends,

Blessings and greetings to our precious friends and family. The Bible gives us many reasons why Christ came to earth. He came to fulfill the prophecy and fulfill the covenant promises given to Abraham. He came to finish God's redemptive story and be the sacrifice needed to satisfy God's justice. But when it comes to the Christian, He came to bring His children life - life abundantly! But what is abundant life? It is not what some may say - prosperity on earth. Rather, abundant life is having life on earth filled with the hope and promise of eternal life and rest with the Lord. This loving, merciful Savior gives abundant life to those who trust Him! **Come to Jesus who gives hope and real life in the midst of this world's struggles!**

Here are some family updates. **Donna** had some health needs this year, but she is now doing well with only some back pains. She is faithful at the church, serves in the nursery, and keeps the tract ministry going. She sends cards out to our church planters' wives and often will text her favorite verses to friends and family. She had her poem, **A Tribute**, published in our denominational magazine. Donna spent several weeks this year in Florida with Nicole, Nevaeh, and Dellah. She always blesses me with her care and fun!

For me (**David**), God continues to bless me with wisdom and guidance as I lead our Mission in expanding His Kingdom and planting new churches in Mexico, Florida, Maryland, Delaware, New Jersey, Pennsylvania and other target sites. God is my strength. The men and their families who serve in Church Extension are sacrificial and I am privileged to coach and serve alongside our missionaries.
