

Rohrbach Ministry Update

Church Planting in Kutztown

Dear Friends and Prayer Partners,

We are so thankful for each of you who pray for us, encourage us, and partner with us in ministry. We wanted to share a brief update on what the Lord has been doing in our family and through the ministry of Heritage Bible Fellowship Church.

Family Update:

Our family is doing well, and we are grateful for how God continues to sustain us during this exciting and stretching season of ministry. Planting and leading a church requires a great deal of time, energy, and prayer, but we are thankful for the opportunity to serve together as a family. We continue to trust the Lord to give us wisdom, strength, and balance as we navigate ministry and family life.

Heritage Bible Fellowship Church:

Over the past several weeks, we have seen the Lord open doors as Heritage Bible Fellowship Church prepares for its official launch on **March 29**. We have begun meeting on Sundays at the Kutztown Grange for pre-launch gatherings, and it has been encouraging to see people begin connecting and praying together.

We also recently launched Recovery Room, a Monday-night ministry focused on gospel-centered support and hope for people navigating struggles and addictions. It has already been a meaningful space for prayer, honesty, and pointing people to Christ. We have been going through the book of Hebrews on Tuesday nights for our weekly Bible study. We have been blessed to gather for a few worship nights since November as well.

Our vision for Heritage is simple but deeply needed: **to bring hope to the lost and broken through the transforming power of the gospel**. We are praying that God would build a Spirit-empowered community shaped by His Word and committed to reaching our Kutztown with the love and truth of Christ.

How You Can Pray

Please pray with us for the following:

- The **launch** of Heritage BFC on March 29, that many would come and hear the gospel.
- **People** — that God would bring those who need Christ and those who desire to grow as disciples.
- **Leaders and volunteers** — that the Lord would raise up faithful servants to help build the ministry.
- **Recovery Room** — that people struggling with addiction and brokenness would find real hope in Jesus.
- Finally, for **wisdom** and **endurance** for us as we shepherd and lead this new church.
- **Ministry Support:**
 - As we continue to give our time and energy to planting and leading Heritage BFC, we are also trusting the Lord to raise up additional financial partners who believe in the mission of reaching people with the gospel in this region.
 - If the Lord leads you to partner with us financially, either through a one time gift or ongoing support, it would be a tremendous help as we continue investing in this work God has called us to.
 - Most of all, we ask for your continued prayers. Church planting and gospel ministry are spiritual work, and we depend on the Lord to do what only He can do - transform lives.
 - Thank you for standing with us. Your prayers, encouragement, and partnership mean more than we can express.

With gratitude in Christ,
Shawn and the Rohrbach Family
