

Mark Morrison Prayer Letter

JUNE 2026

Walking in the good way...

What does it mean to be semi-retired, and how does one look back over a lifetime of service for his Master? Solomon pointed to a pathway of wisdom which results in this: "So you will walk in the way of the good and keep in the path of the righteous." (Prov. 2:20) Fifty years ago I stepped on the path of being a church planter. I am so glad I did, and this is still the passion of my heart. This way has been a demanding mixture of joy and sadness and times of growth and disappointment. Yet, through it all I can say, "it has been a good way, and God has blessed." Now that I am semi-retired my schedule is not quite as heavy, but I am still very much involved with church planting. I continue to serve on the Transitional Leadership Team for our Elverson, PA church plant – CROSSroads BFC. My main focus as Development Manager is connecting with individuals and with churches participating in planting new churches with the Bible Fellowship Church.

What are some highlights as I served as Development Manager during this last year?

- We celebrated ***Church Extension's 75th Anniversary*** with a special banquet recounting God's blessings and thanking David Gundry for his 25 years of leading this ministry.
- I continue to meet with churches that seek to connect with Bible Fellowship Church.
- We honored our volunteers at a luncheon in Whitehall.
- I have met with individuals to share our ministry.
- We welcomed Tim Zuck as our new director at a "Meet the Director" luncheon.

I had the privilege to interview Director Tim Zuck during the Q&A time at the Meet the Director event.

~ Family News ~

Forty years ago God brought Barb into my life and we look forward to celebrating our anniversary this September. I wouldn't be the man I am today without her love and partnership. We have been so blessed with our family. We enjoy having Barb's Aunt Veda (99 years old) living in our home as part of our family. Barb is able to use her home office for homeschooling evaluations, ESL tutoring, and achievement testing for families. I enjoy working on my garden, going for walks, and reading. In the last two years I have been able to lead two Bible study groups with seniors. We also have used our home to host our church small group – thank God for Christian fellowship.

We think it is great to be grandparents. We enjoy having Ben and Angela and two year old Asher living nearby in Lancaster. Ben is now working at Arconic as a Chemical engineer, and Angela teaches preschool for Lancaster Mennonite School. Barb enjoys babysitting for our little grandson, Asher. We don't get to see Nate and Rachel as often, for they live near Keene, New Hampshire. Their son, Malakai, is now two and a half years old. Nate is working as a videographer, and Rachel works full-time for Ashby and Gabriel, a marketing agency. Lord willing, we are planning a trip to Keene and looking forward to seeing them this summer.

Partner With Me

You can be a part of evangelistic church planting by partnering with me financially. I am praying for 10 people to commit to giving \$50 a month towards my support. Use the enclosed card or start a recurring gift at ChurchPlantingBFC.org/Donate.
